

Compassionate Love Day Care Philosophy

At Compassionate Love Day Care, we share your desire to provide the best start for your child. Our philosophy emphasizes that children grow and learn best in an environment that provides hands-on discovery through age-appropriate learning experiences. At our early learning center your child's schedule and activities will focus on all developmental domains important to their happiness and growth.

**We accept State of Illinois
Department Of Human Services
Child Care Assistance Program and
Illinois Action for Children to help
support Families who may need
financial assistance for tuition.
We will provide support for families
in need throughout the financial
assistance application process.

Compassionate Love Day Care Mission

The Compassionate Love Day Care's mission is to provide the highest quality childcare, education, and guidance for the children of the residents in the greater Wheeling community.

We will promote:

- A safe and secure environment.
- Loving, nurturing, and experienced teachers who value your child.
- An environment where children can develop confidence and independence.
- An education program that serves the total emotional, physical, social, intellectual, and creative needs of your child.
- Classrooms filled with wonderful and engaging learning centers and activities that encourage curiosity, exploration, and problem solving.
- Enrichment activities that peak a child's curiosity and will allow them to explore the wonders of science, math, literature, fine arts, social studies, and language.
- An environment that will aim to instill an early love for learning in your child.
